

# Make The World A Better Place

by Melinda Carroll

## 1st Verse

Well it may not make the 6 o'clock news,  
But I get to choose what I do with my day.  
And I've learned a smile can travel miles  
And touch someone a half a world away!

## 1st Chorus

My heart holds all the answers and it shows me what to do  
And I feel just like a super-hero ready to break through!  
Cause I believe in peace, and I believe in Love!  
And I will do my part in my own way.  
And I may just be a powerful girl,  
'Cause I can Make the World A Better Place!  
Yeah, Yeah!

## 2nd Verse

What do you say, and what do you do,  
When you hear the news of trouble and hate?  
Well every night, think what you might  
Do what's right in the choices you make!

## 2nd Chorus

Your heart holds all the answers and it shows you what to do,  
You'll feel just like a super-hero ready to break through!  
When you believe in Peace, and you believe in Love,  
And you do your part in your own way;  
You may just be a powerful (an incredible) girl,  
Cause you can Make the World A Better Place!  
Yeah , Yeah!

## 3rd Verse

Times they change, the moment is now  
To be someone you can hold up high!  
Have a beautiful life! You're a beautiful soul!  
You can make it whole, Be a gift to this world!

## 3rd Chorus

Our heart holds all the answers, and will show us what to do,  
Like a team of super-heroes ready to break through,  
When we believe in Peace, and we believe in Love  
And we do our part in our own way.  
We may just be (very) powerful (incredible, fantabulous), girls  
Cause we can Make the World A Better Place!  
Yeah , Yeah!
